The Integrated Vocational & Higher Education Precinct: Improving Performance Through a Consolidated Built Environment

Shane Wood

DWP Suters

Shane Wood is dwp|suters' National Education Leader, he works across all studios, advising on education masterplanning, facility design and procurement. He leads a national architectural team of education experts in university, TAFE and school projects. As a senior architect, Shane is an active advocate for innovation and research in education. He is a great listener who is keen to understand his clients' interest in new approaches to pedagogy, through creating spaces that support teaching aspirations and enhanced student outcomes. His portfolio includes many examples of adaptive reuse of education buildings as well as sustainability initiatives focusing on the physical, financial and social environments promoting the sustainability and improved utilisation of institutions and infrastructure.
