

Advanced Standing: A Study in how Technology Drives Trends and Challenges

Presented by:
Sophie Buck, Assistant Academic Registrar
Katrina White, Enrolments Manager

The Technology

- ▶ eForms project

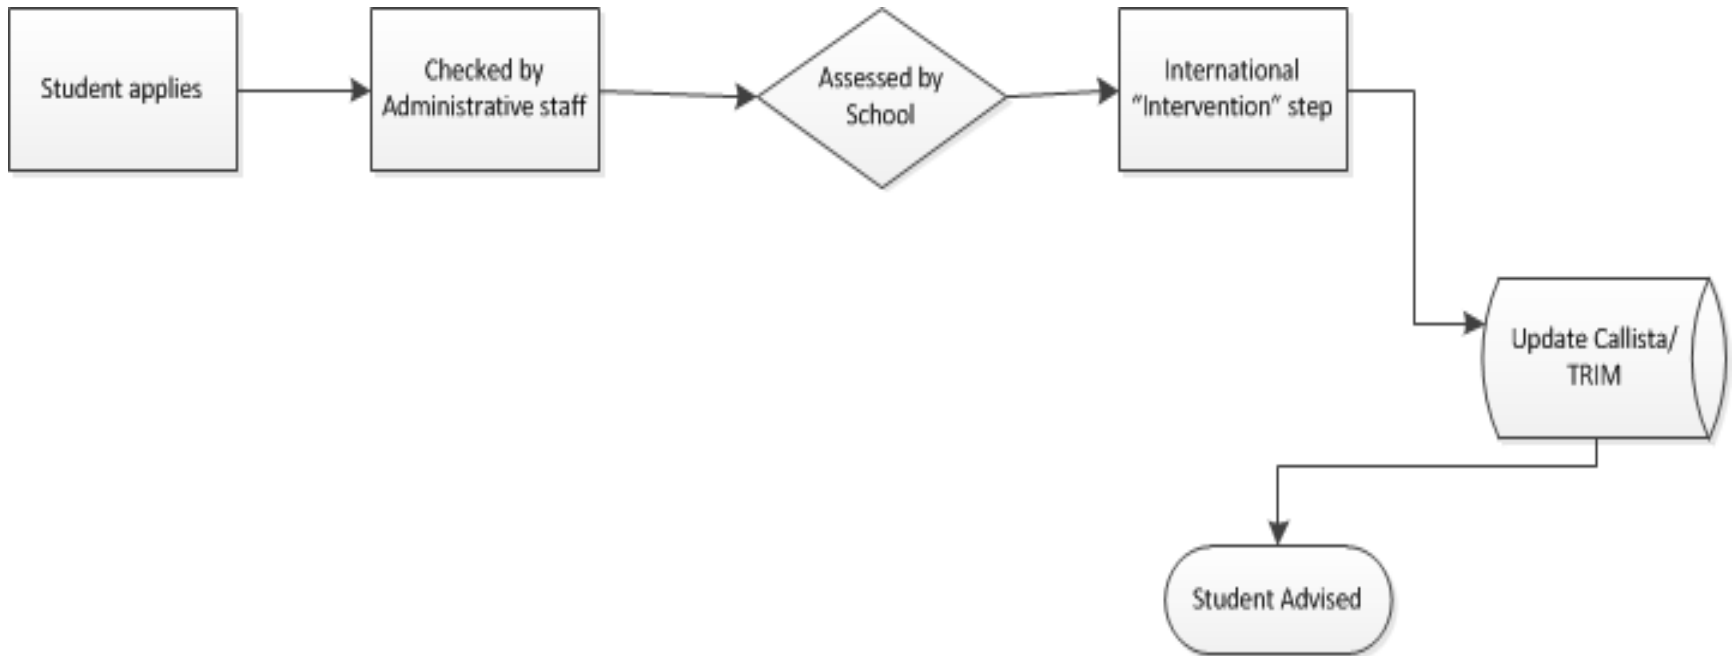

- ▶ Development of the Advanced Standing form

The Challenges

- ▶ Translation of current procedures into a viable workflow
- ▶ Document verification

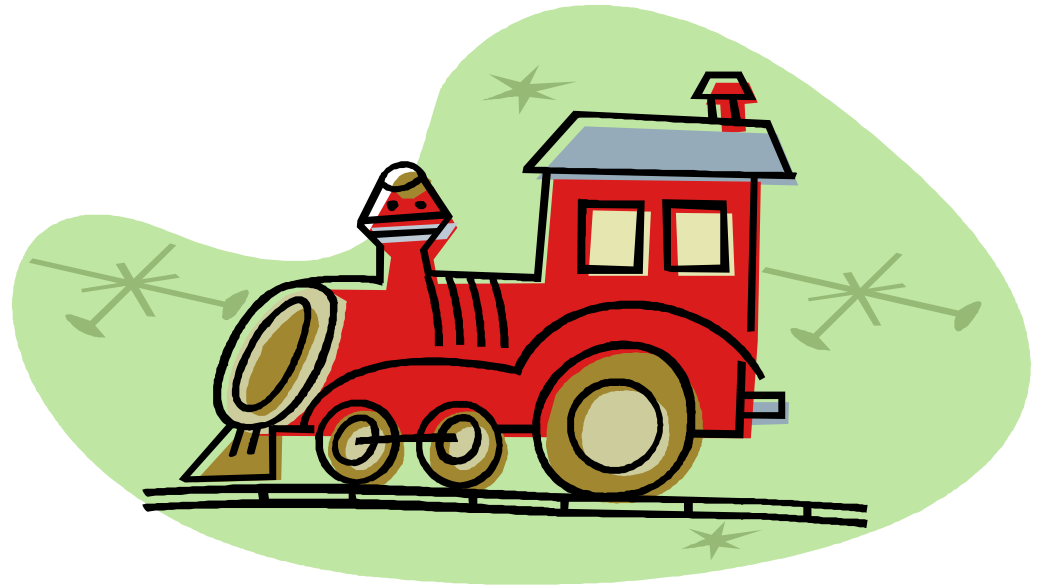

The Solution

The 'Role Out'

- ▶ Pilot first
- ▶ What an Impact!

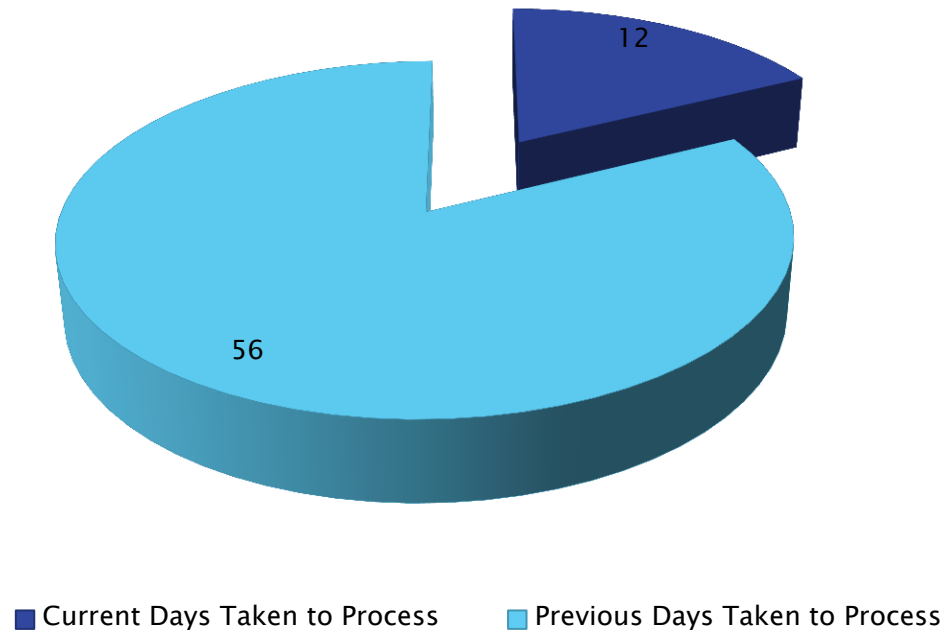

The Tradition

- ▶ High volume of applications
- ▶ Processing would take weeks

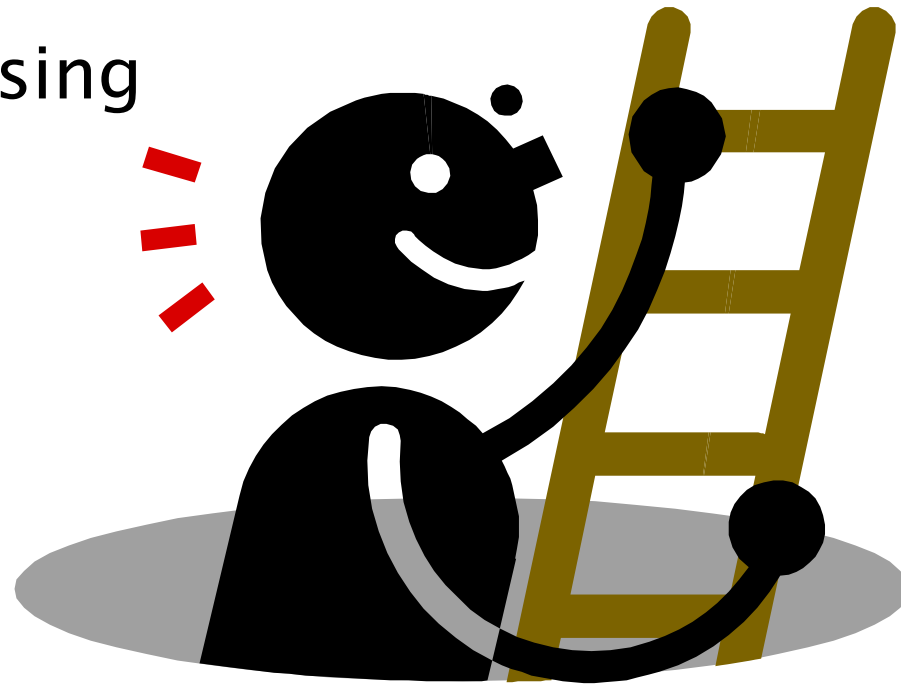

Now and Then

Comparison of Current and Previous Processing Timeframe In Days

The Trends

- ▶ Expectations keep rising
- ▶ Constraints

More Challenges

- ▶ Hitches and glitches
- ▶ Let's do it better

The Solutions

- ▶ Development of concept paper
- ▶ Enhanced functionality

And Now!!!!

- ▶ Less manual intervention
- ▶ Improved student experience
